Aavenir

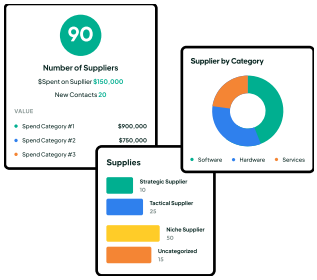

Onboardingflow

Elevate vendor relationships: Collaborative, Connected, and Efficient.

Aavenir Onboardingflow is a vendor onboarding and information management solution that eliminates scattered communication, outdated vendor information, and administrative overload, leading to unwanted delays and strained vendor relationships.

It enhances due diligence with Aavenir AI Agents that power compliance screening and automated document verification, enabling faster, more accurate, and fully compliant onboarding.

What we solve?

Manual onboarding Processes
Eliminate manual processes with structured supplier data collection & approvals.

Lack of Visibility and Control
Centralize vendor data & gain visibility with dashboards & reports.

Risk and Compliance Concerns
Automate supplier document verification with AI Agents that intelligently perform validation and compliance checks.

Frustrated Vendor Relationships
Ease collaboration with a secure supplier portal.

How we do it?

Step 1
Registration & Verification
Vendor registers, reviews, verifies, and approves onboarding requests.

Step 2
Vendor Onboarding Initiation
Raise a request, vendor submits details on the supplier portal.

Step 3
Ongoing Data Management
Review & update vendor data periodically for compliance.

Step 4
Vendor Activation
Enable verified vendors for contracts & sourcing.

Aavenir

Key Capabilities

Configurable Onboarding

Customize onboarding workflows by vendor type, product, geography, and more to ensure efficient, compliant onboarding.

Self-service Vendor Portal

Collaborate across RFPs, purchase orders, contracts, obligations, and payments, ensuring visibility and efficiency at every stage.
